This screenshot shows the 'Marks' section of a School Management System's admin panel. The top navigation bar includes links for Dashboard, Teacher, Student, Subjects, Attendance, Notice Board, Time Table, Syllabus, Notes, Marks (which is highlighted in green), Bus Service, and Settings. Below the navigation is a search bar with a magnifying glass icon. Two buttons are present: 'Upload Marks' (disabled) and 'View Marks'. The main content area is titled 'Information' and contains three dropdown menus: 'Class' set to 'I2 (Commerce)', 'Section' set to 'A', and 'Session' set to '2025-26'. A blue 'Find' button with a magnifying glass icon is located below these dropdowns. Below this section is another titled 'Exams'.

The screenshot shows a web-based school management system. The top navigation bar includes links for Gmail, YouTube, Maps, Translate, project sites, toady books, and Image to Image AI. The main header features the title "School Management" and the URL "localhost/school-management-system-main/admin\_panel/timetable.php". A search bar and a magnifying glass icon are also present.

The left sidebar contains a navigation menu with icons and labels: Dashboard, Teacher, Student, Subjects, Attendance, Notice Board, Time Table (highlighted in green), Syllabus, Notes, Marks, Bus Service, and Settings.

The main content area displays a timetable for "CLASS 10 A" on "MONDAY". The table has three columns: "Period start", "Period end", and "Subject". Below the table, the word "LUNCH" is displayed in large, bold, green letters.

This screenshot shows the 'Student' page of a School Management System. The left sidebar contains a navigation menu with icons for Dashboard, Teacher, Student (which is currently selected), Subjects, Attendance, Notice Board, Time Table, Syllabus, Notes, Marks, Bus Service, and Settings. The main content area has a header with a search bar and a 'Find' button. Below this is a section titled 'Students List' with a search input field containing 'marco'. A table is present with columns for #, Student ID, Name, and Action. In the center, there is a large yellow icon of a database cylinder and the text 'No Data'.

Remove Teacher

The screenshot shows a web-based school management system interface. On the left, there's a sidebar with various menu items like Dashboard, Teacher, Student, etc. The 'Teacher' item is currently selected. In the center, there's a main content area titled 'Teacher' with sub-options 'Add Teacher' and 'Show Teacher'. Below that is a section titled 'Teachers'. Overlaid on the page is a modal window titled 'Teacher Details'. This modal contains several input fields: 'Full Name' with the value 'aditi' and a green checkmark; 'Class Teacher Details' with the value '12 (Commerce)' and a green checkmark; 'Related Subject' with the value 'science'; 'Gender' with the value 'Female' and a green checkmark; and 'Date of Birth' with the value '01-08-2025'. At the bottom right of the modal is a blue 'next' button. The background of the main content area has a semi-transparent overlay with a red rounded rectangle containing the text 'Remove Teacher'.
